Is a Block Theme?	Yes	Yes
Content Editor / Page Builder	gutenberg	gutenberg
WordPress Multisite	No	No
The performance optimization plugin "Autoptimize" was detected. It is therefore likely that not all plugins (and themes) will be recognized.	No	No
The performance optimization plugin "WP Fastest Cache" was detected. It is therefore likely that not all plugins (and themes) will be recognized.	No	No
The performance optimization plugin "WP-Optimize" with active caching was detected. It is therefore likely that not all plugins (and themes) will be recognized.	No	No
The performance optimization plugin "Swift Performance" was detected. It is therefore likely that not all plugins (and themes) will be recognized.	No	No
The performance optimization plugin "WP Rocket" was detected. If the function to combine the CSS and Javascript files is activated, probably not all plugins (and themes) will be recognized. If you want a more accurate detection, run the report generation again, but by appending "?nowprocket=1" (without the quotes) to the end of the URL first.	No	No
The performance optimization plugin "LiteSpeed Cache" was detected. It is therefore likely that not all plugins (and themes) will be recognized.	No	No
The performance optimization plugin "W3 Total Cache Cache" was detected. It is therefore likely that not all plugins (and themes) will be recognized.	No	No
The performance optimization plugin "NitroPack" was detected. It is therefore likely that not all plugins (and themes) will be recognized.	No	No

The security plugin "WP Hide & Security Enhancer" was detected. This plugin was specially developed to make WordPress and its components (plugins and themes, etc.) more invisible to the outside world. It is therefore likely that not all plugins (and themes) will be recognized.	No	No
The performance optimization plugin "Fast Velocity Minify" was detected. It is therefore likely that not all plugins (and themes) will be recognized.	No	No
The WP Super Cache plugin reports that it is installed, but is broken or has a misconfiguration.	No	No
WordPress Emoji Script	Yes	Yes
WordPress Gutenberg Block Library	No	No
Gravatar	No	No
Users	1 items	1 items
